

## PAPER TRIMMERS

Put the finishing touches on bulletin boards, classroom projects, artwork and more with GBC's complete line of paper trimmers. Trim classroom projects down to size with our full line of maple board trimmers. Add a decorative edge with the rotary trimmer and interchangeable decorative blades. For every classroom need, GBC has the trimming solution.

### CLASSICCUT® CL800pro

- Ideal for high volume cutting jobs
- Cuts 150 sheets of 20 lb bond paper, up to 12" long
- Adjustable stack clamp aligns and locks paper in place for accurate cutting
- Alignment grid on base is marked in 1" increments
- Battery-operated power switch activates line of light to indicate cutting position
- Handle is mounted above cutter to allow for smooth cutting
- Steel cutting blade has hardened edge for long-lasting sharpness
- Handle lever protects fingers by keeping handle safety lock in place until released
- Requires 2 AA batteries for cutting line indicator light
