

## GBC TAA Compliant Commercial Shredder, CM15-30, Micro-Cut, 15 Sheets

1753300

### Product Description

Commercial shredding is easy, with the hardworking, TAA Compliant CM15-30 shredder. Continuous duty run time lets you get your shredding done quickly and get back to your day.

### Features

- Hardworking shredder is designed to provide high security shredding to large groups of users. Micro-cut shredder with P-5 Level Security meets high security needs.
- Convenient Jam-Stopper feature detects jams and automatically reverses excess papers. Lights indicate if paper capacity is exceeded, helping users prevent jams before they occur.
- Continuous duty run time allows you to shred more paper, faster. Intelligent Power Save auto shut down feature with automatic wake-up helps conserve energy.
- Convenient, ultra-quiet function keeps noise levels below 60dB to prevent disruptions in quiet workplaces. Also shreds credit cards, paper clips and staples.
- Large 30-gallon pull-out waste bin provides plenty of space for shreds. Bin full indicator lets you know when it needs emptying. Machine shreds up to 15 sheets at a time.
- GBC stands behind this high-quality shredder with a limited 2-year warranty with on-site service.
