Unit quantity	1

Features

- Powerful, all-in-one binding system for fast, easy punching and binding. Binds 500 sheets. Excellent for high-volume corporate offices.
- Electric punch pierces through up to 25 sheets at a time, helping to prepare them for binding.
- Professional-looking CombBind spines allow pages to lie flat for easy reading. Excellent for group projects and presentations. Accommodates a 2" maximum spine size.
- Exclusive paper separator divides stacks of paper into the right thickness for easy punching. Punches and binds letter size sheets.
- Thorough, easy to follow instructions are printed directly on the binding machine, allowing anyone to use it without having to dig through a complex instruction manual.
- GBC stands behind this high-quality binding system with a limited one-year warranty.
- Designed to work best with CombBind Binding Spines (sold separately) up to 2". Neat binding spines are suitable for use in all presentations.
