Product Description

Whether you're laminating handouts for your office and crafts for your classroom, you can protect your most important documents through lamination. The Fusion 3000L is designed with rapid speeds and user-friendly features to help make laminating as easy as possible.

Features

- Our sleek, modern laminators will keep up with all of your projects. Perfect for mid-size offices or any environment with weekly laminating needs.
- Get more done in less time. The laminator warms up in just 1 minute for quick and easy use. Laminate up to 17 documents in 10 minutes, with 19" per minute laminating speed.
- The 12" laminating width allows for a larger variety of projects, while smooth rollers help projects stay wrinkle-free. Compatible with any 3 and 5 mil laminating pouches.
- Laminator comes with an industry best 3 year warranty and 30 letter size EZUse Premium Speed Pouches, which seal on the longer side to reduce processing time by 22%.
- Lamination is simple with auto jam detection. Jammed pouches are released at the touch of a button, and auto shut off provides safety and conserves energy.
