Product Description

When you need to preserve your most important papers, handouts and photos, a Fusion laminator will help extend the life of your documents. Create a lasting impression in your office, school or home with the Fusion 3100L, which is designed for speed and quality.

Features

- Our sleek, modern laminators will keep up with all of your projects. Perfect for mid-size offices or any environment with weekly laminating needs.
- Get more done in less time. The laminator warms up in just 1 minute for quick and easy use. Laminate up to 28 documents in 10 minutes, with 31" per minute laminating speed.
- The 12" laminating width allows for a larger variety of projects, while smooth rollers help projects stay wrinkle-free. Compatible with any 3, 5 and 7 mil laminating pouches.
- Laminator comes with an industry best 3 year warranty and 30 letter size EZUse Premium Speed Pouches, which seal on the longer side to reduce processing time by 22%.
- Lamination is simple with auto jam detection. Jammed pouches are reversed at the touch of a button, and auto shut off provides safety and conserves energy.
