Features

- Our sleek, modern laminators are best in class and will keep up with all of your projects. Perfect for busy offices or any environment with heavy laminating needs.

- Get more done in less time. Laminator warms up in just 1 minute for quick and easy use. Laminate up to 45 documents in 10 minutes, with 55" per minute laminating speed.

- With 6 rollers, projects remain smooth and wrinkle-free. The 12" laminating width allows greater speed and variety on projects. Compatible with any 3, 5, 7 and 10 mil pouches.

- Advanced auto pouch thickness detection identifies the mil thickness of your pouch and document. It automatically adjusts to the optimal settings to create a perfect seal.

- Laminator comes with an industry best 3 year warranty and 50 letter size EZUse Premium Speed Pouches, which seal on the longer side to reduce processing time by 22%.

- Lamination is simple with the touch button interface and feed guides. Auto jam detection and motorized reverse clear errors, while auto shut off provides safety and conserves energy.
