

GBC Magnapunch Pro with Foot Pedal or Trigger Switch

7705643

Product Description

With unmatched speed and durability, the GBC Magnapunch Pro Interchangeable Die Punch is best-in-class among high volume desktop punches. This workhorse features flywheel technology, a half-second punch cycle and an oversized crank shaft, making it a perfect fit for your office or print shop.

Features

- Die Sets required / sold separately (7705644, 7705645, 7705646, 7705649)
- One-second punch cycle capable of punching up to 49,000 sheets per hour
- Re-designed metal cover with open view to die set ruler
- Three way rocket switch(ON/OFF/ON) allows switching from trigger table and hand free foot pedal
- Improved edge guide with adjustable sliding knob/screw system
- Large chip tray collects chips from up to 40,000 sheets, eliminating the need for frequent emptying
- Sheet sizes 14" for most die patterns. Open throat accommodates larger sizes in two-step process
- Require 115 VAC,50 - 60 Hz, and 5.6 Amps
- Safety: TUV Approved
- Warranty Period: 3 years
