

Swingline® SmartTouch™ 3-Hole Punch, Reduced Effort, 12 Sheets

Swingline

A7074134

PRODUCT DESCRIPTION

Hole punching is easy with a SmartTouch reduced effort punch. You can 3-hole punch a stack of papers with 30% less effort than needed with a standard model.

FEATURES

- SmartTouch low force 3-hole punch with reduced effort design makes punching 30% easier than traditional hole punches
- Soft grip handle helps improve comfort of manual hole punching
- 12 sheet paper punch capacity. Fixed punch heads punch 9/32" holes.
- Hole pattern in punch base allows user to see when chip tray is full
- Chip tray flips open for easy disposal of paper chips
- Handle locks into a closed position for compact storage
- Durable metal construction
- Features a ruler and paper guide to line up sheets for punch alignment
- Limited 1 year warranty
